marble. I'm drawn to sculptural furniture.

**Pendant light** A vintage fitting, purchased at auction. **Ceramic vase** This is a 1970s Australian studio pottery piece, designer unknown.

**Hat** A traditional horsehair gat from South Korea.

**Terrarium** From Tatoyama, Japan. **White box**

A porcelain caddy from Vietnam. **Bonsai plants**

Figs in Japanese ceramic pots. Living in the city, it's important to have a connection to nature.

#### MY FAVOURITE HAUNTS

**What do you love about your suburb?** The location: it's tucked away in a quiet area but still close to the city, and within walking distance of Sydney Harbour.

**Favourite local restaurant?** Chiswick in Woollahra, for the great food and casual garden setting.

**What does home mean to you?** A private retreat, a place where you can totally unwind and relax. [mrwaller.com](http://mrwaller.com) ▶
